IEP Youth Services, Inc. advocates for youth by providing resources that include a safe, nurturing environment and counseling for self-improvement. Through these resources, IEP inspires young people to overcome crisis and reach their goals.

Since IEP Youth Services opened its first program in 1986, over 3000 youth and families have been served. We work to help youth to understand that they have the ability to reach their goals by bringing support and order into their lives.

Liberty Insurance Associates is a broad spectrum insurance agency providing products to both Commercial and Personal clients in "Property & Casualty", "Life/Health & Employee Benefits", as well as in "Wealth Management & Tax Planning". Their tried and true Risk Management process "BluePrint by Liberty" helps their clients identify and plan around the risks inherent in business and in life, particularly in a rapidly changing technology and regulatory environment.

Active in their community, Liberty recently branded their charitable endeavors as "Project Torchlight" wherein their staff is encouraged to participate in the community in concert with one of the organization's many charitable affiliations. In 2019, the "Culture Committee" at Liberty decided to adopt IEP as their primary benefactor, which has been a badge of pride for the entire Liberty organization. In their action, they helped prepare and cook Thanksgiving Dinner, as well as fulfilled the entire "wish list" of the tenants of the transitional living facilities of Project Stepping Stone. Liberty's entire team is proud to continue the support of the Paul Robinson Golf "Fore" Kids Classic.

We are proud to be hosting our 25th annual Paul Robinson Golf "fore" Kids Classic to benefit IEP Youth Services of Freehold, NJ. Over the past 24 years, we have helped hundreds of children and raised over \$400,000.

Thank you for your support...
Debbie & Harry Heitner
