IEP Youth Services, Inc. advocates for youth by providing resources that include a safe, nurturing environment and counseling for self-improvement. Through these resources, IEP inspires young people by empowering them to overcome crisis and reach their goals.

In the years since IEP Youth Services opened its first program in 1986, nearly 3000 clients have been served. We work to help youth to understand that they have the ability to reach their goals by bringing support and order into their lives.

Kevin Cummings was appointed President/CEO & a member of the Board of Directors of Investors Bank in January, 2008, having previously served as the Bank's COO. Under his leadership, the Bank's performance has been recognized on Forbes' "Best Banks in America" list since 2012. In addition, Kevin received the 2011 NJ Ernst & Young Entrepreneur of The Year Award for transforming the Bank into a growth Company.

Kevin serves on the Boards of The Scholarship Fund for Inner-City Children, Liberty Science Center, Visiting Nurse Assn., Independent College Fund of NJ, All Stars Project of NJ, The Federal Home Loan Bank of NY, Greater Trenton And The Community Foundation of NJ. Kevin is also a Member of the Development Leadership Council of Morris Habitat for Humanity and has served as the former Chairman Of the Board of NJ Bankers Association.

In keeping with our dedication to help children, we are proud to be hosting our 22nd annual Paul Robinson Golf "fore" Kids Classic to benefit IEP Youth Services of Freehold, NJ. Over the past 21 years, we have helped hundreds of children and raised over \$400,000 with the support of many golfers, sponsors, and retailers.
